I have not used a taxi in years in Charleston because they're old stinky and unreliable. used Uber several times and quite convenient inexpensive and safe.

As a taxpaying citizen of South Carolina I would like uber to be reinstated immediately

We have used Uber when visiting Charleston. It is a quicker easier service, than calling a cab and waiting a long time for a car to maybe show up. I think it would be shame not to allow Uber to operate. When we are older and unable to drive, this will be a perfect solution for us.

Thank you.
